

**Community Board 9
890 Nostrand Avenue
Brooklyn, NY 11225**

**Minutes of the
Environmental Protection Committee Meeting
Wednesday, December 2, 2015**

Attendance:

Daniel Ingvoldstad – Chairperson
Demetrius Lawrence – CB9 Chairman

Milton Ellis – CB9

Plan meetings with the New York City Department of Sanitation and SUNY Downstate.

The committee discussed re-engaging SUNY Downstate in a new sanitation garage. We extend the request/invitation to the New York City Department of Sanitation to join future committee meetings to discuss issues reported within Community District 9 and ways the Board can assist sanitation (i.e. pamphlets and education).

**Respectfully submitted,
Daniel Ingvoldstad
Committee Chairperson
