

# **Important Notice**

## **Component Rehabilitation of Crown Street Bridge over the MTA/NYCT Franklin Avenue Shuttle**

Brooklyn

Community Board 9

July 2014

The New York City Department of Transportation will begin Component Rehabilitation of Crown Street Bridge Over the Franklin Avenue Shuttle on or around August 2, 2014 and will continue through October 30, 2014. The scope of work for this location will include sealing cracks in concrete overlay, replacing compression seals at armored joints and cleaning existing gutters on Crown Street. The work under the bridge includes repairing deteriorated concrete on abutments, piers, crash walls and painting.

### **Crown Street Traffic Impacts**

One lane and one sidewalk closed.

**Monday – Friday**

**7:00 a.m. to 4:00 p.m.**

One lane of traffic and one sidewalk will remain open at all times.

### **Alert**

**Weekends of  
August 2 & August 9 only**

**Saturday – 6:00 a.m. to 8:00 p.m.**

**Sunday – 8:00 a.m. to 5:00 p.m.**

Weekend construction activities will occur below street level.

Questions regarding the roadway closure or the project in general, may be addressed to Community Liaison **Kisha Dasent** at (212) 804 - 8315 or [10BrooklynBridgesRehab@gmail.com](mailto:10BrooklynBridgesRehab@gmail.com). You may also call 311. Please be prepared to give your name, contact information and the project number **HBCR01A** to be correctly routed to the project management team.
