

Register of Community Board Budget Requests

For The Preliminary Budget
Fiscal Year 2018

Brooklyn 9

The City of New York
Bill de Blasio, Mayor

FY 2018 Preliminary Budget Register of Community Board Budget Priorities

The Register of Community Board Budget Requests for the Preliminary Budget reports the FY 2018 preliminary budget status of each of the projects and programs requested by the City's 59 community boards.

The FY 2018 Register is the charter mandated product of a dynamic and cyclical budget process for the 59 community boards. The community boards consult with agencies on the capital and expense needs of the district. After consulting, each community board develops and votes separate priorities for up to 40 capital and 25 expense budget requests which the agencies review and respond to in the **Register of Community Board Requests for the Preliminary Budget** in January.

The Mayor's Office of Management and Budget (OMB) reviews these same budget requests and updates the responses for the Executive Budget.

In May, the City Council holds public hearings on the Executive Budget. At these hearings, community boards, community groups and interested citizens may comment on the budget decisions contained in the Register.

In July, OMB publishes the **Register of Community Board Budget Requests for the Adopted Budget** which informs the boards of the final disposition of their original budget priorities. The Adopted Register contains responses that reflect the changes made to the Executive Budget by the City Council.

Capital project requests from community boards are site specific, and primarily for infrastructure or public facility improvements.

For more specific information about programs important to the community boards, refer to each agency's section in the Message of the Mayor for the Executive Capital and Expense Budgets.

Call 212-788-5943 for more information about the community board process including consultations, and the geographic versions of budget documents.

FORMAT OF THE REGISTER

The Register of Community Board Budget Requests is sorted into four versions: Community Board, Borough, Council and Agency. In all versions of the Register, each board's expense requests directly follow their capital requests. The requests are in board order.

LAYOUT OF BUDGET REQUESTS PAGES

Column 1: Priority Number

The priority assigned by a community board reflects the importance of that request as compared to its other requests. Boards may assign Continued Support (CS) to a project which received funding for construction in any year of the current Financial Plan.

Column 2: Tracking Code

The nine digit identification number assigned to each community board budget request. Tracking codes are unique to each request and identify the borough, community district, year submitted, and request. The first digit refers to the borough, 1 = the Bronx, 2 = Brooklyn, 3 = Manhattan, 4 = Queens, and 5 = Staten Island; the second and third digits indicate the district number. The fourth through seventh digits represent the fiscal year for which the request was submitted and the last two digits are the request number. The tenth character indicates whether it is a capital ("C") or expense ("E") budget request.

Column 3: Project Information

Request: A brief description of the project.

Explanation: Supporting information detailing the project, and its potential benefits.

Responsible Agency: The City agency which would implement the project.

Budget Line Number: The number assigned to a capital project that was previously funded or is included in any year of the current Financial Plan.

PROJECT ID: The Capital Project Information System identification number which allows projects to be entered into the City's computer tracking system. The number of the managing agency and the project identification number make up the PROJECT ID of the project.

Source of Request: Any group(s) which support the request.

Column 4: Response

The Preliminary Budget recommendation for each budget request.

| 01 | 209201801C | <p>Request: Provide a new or expand an existing elementary school</p> <p>Explanation: Public School 161 is a school without a gymnasium; an auditorium that is in need of renovation; the installation of additional bathroom stalls to meet the needs of the large student body. The entire school needs rewiring to not only be up to code, but to also enable the use of state of the art computer technology; as well as heating and air conditioning.</p> <p>Responsible Agency: Department of Education</p> <p>Supported by: Hon. Laurie Cumbo PS 161 Parent Teachers Association</p> <p>Location Site Name: PS 161 - The Crown Address: 330 Crown Street</p> | Unable to prioritize funding for this project request at this time. |
| 02 | 209201802C | <p>Request: Improve traffic and pedestrian safety, including traffic calming</p> <p>Explanation: As pedestrians, cyclists and motorists jostle for use of our neighborhood streets, the streets have become more unsafe. Additional traffic safety measures can be taken to allow for the safe use of the street by all. Community Board 9 has requested that the Department of Transportation do a traffic calming study of the district but, to date, DOT has not agreed to begin one. In the meantime the installation of speed humps on random streets has not really given us a sense of "calmed traffic".</p> <p>Responsible Agency: Department of Transportation</p> <p>Supported by: Hon. Mathieu Eugene, Hon. Laurie Cumbo Hon. Darlene Mealy</p> | More information is needed from the community board before making a funding decision. The community board should contact the agency. |

| 07 | 209201807C | <p>Request: Provide new or upgrade existing sanitation garages or other sanitation infrastructure</p> <p>Explanation: There are major problems with Community District 9's existing sanitation garage. Not only is it in an unsuitable location at 356 Winthrop Street (close proximity to Kings County Hospital, SUNY Downstate Medical Center; SUNY Dialysis Center; SUNY Biotech Facility) but it is also too small. The results being the parking of garbage filled sanitation trucks on the district's streets in close proximity to residences, as well as imposing unsafe conditions for pedestrians. This district has endured these problems for many years. We would like to see the allocation of funding to renovate and expand this facility to provide a much needed state of art facility to address the district's needs and eliminate the existing conditions which impact negatively on the community.</p> <p>Responsible Agency: Department of Sanitation</p> <p>Supported by: Hon. Mathieu Eugene; Hon. Darlene Mealy Hon. Laurie Cumbo</p> <p>Location Site Name: Bk09 Sanitation Garage Address: 356 Winthrop Street</p> | No alternate site has been identified to support the proposed action. |
| 08 | 209201808C | <p>Request: Improve traffic and pedestrian safety, including traffic calming</p> <p>Explanation: The streets of the city continue to be dangerous for pedestrians and motorists alike. Community Board 9 feels that the installation of traffic enforcement cameras will help to reduce the incidences of drivers running red lights, not stopping for a stopped school bus, not giving pedestrians the right of way in crosswalks, and numerous other violations. Being aware that a camera is recording the violation will, we think, force drivers to comply.</p> <p>Responsible Agency: Department of Transportation</p> <p>Supported by: Hon. Mathieu Eugene, Hon. Darlene Mealy Hon. Laurie Cumbo</p> | Red Light Cameras are supported by NYCDOT; their placement locations are not disclosed to the public. New legislation is required to implement this request. |

| 09 | 209201809C | <p>Request: Replace or upgrade water mains</p> <p>Explanation: The agency should employ a more proactive approach to the aging water main system in order to avoid the devastating impact on businesses and homes from broken water mains, flooding and destroying inventory and displacing families whose residences are impacted.</p> <p>Responsible Agency: Department of Environmental Protection</p> <p>Supported by: Hon. Mathieu Eugene, Hon. Laurie Cumbo Hon. Darlene Mealy</p> | <p>Water mains and sewers are different types of assets. DEP performs leak detection using sophisticated equipment that identifies sources of leak. DEP also performs maintenance and inspection of key valve assets periodically with crews that exercise the equipment, and we use our inventory tracking and repair histories to identify water mains for replacement via capital projects.</p> |
| 10 | 209201810C | <p>Request: Repair or upgrade subway stations or other transit infrastructure</p> <p>Explanation: The subway stations in Community District 9 are in need of repair and upgrade to correct leaks, and make stairs and platforms safe, as well as improve lighting, replace missing wall tiles, etc.</p> <p>Responsible Agency: Transit Authority</p> <p>Supported by: Hon. | 13 | 209201813C | <p>Request: Add NYPD parking facilities</p> <p>Explanation: Without question, the acquisition of space for garaging police vehicles is a critical need in the district. Currently, because of the lack of parking facilities, vehicles are parked on city streets, illegally parked on sidewalks outside the precinct making it unsafe for pedestrians. The agency must acquire the necessary space to remedy this situation</p> <p>Responsible Agency: Police Department</p> <p>Supported by: Hon. Laurie Cumbo Hon. Mathieu Eugene, Hon. | 14 | 209201814C | <p>Request: Provide surveillance cameras</p> <p>Explanation: Additional surveillance cameras in Community District 9 will help to deter criminal activities, thus lower crime in the community.</p> <p>Responsible Agency: Police Department</p> | <p>Argus cameras are funded via allocations from elected officials for use within their districts. Specific location recommendations should be provided to the local precinct commander for submission to the Information Technology Bureau once funding is allocated. The NYPD will attempt to accommodate specific location requests whenever funding is provided, but reserves the right to place cameras as appropriate due to current crime trends and operational needs.</p> |

| 15 | 209201815C | <p>Request: Renovate or upgrade a high school</p> <p>Explanation: Medgar Evers Prep School is in dire need of a gymnasium as well as an auditorium. This is a high school, and Physical Education is required for graduation. The students are being denied the opportunity to participate in a proper physical education class. To fulfill these requirements, children often do "jumping jacks" in the hallways; that is not acceptable.</p> <p>Responsible Agency: Department of Education</p> <p>Supported by: Hon. Laurie Cumbo Hon. Mathieu Eugene</p> <p>Location Site Name: Medgar Evers Preparatory School Address: 1186 Carroll Street</p> | <p>Unable to prioritize funding for this project request at this time.</p> |
| 16 | 209201816C | <p>Request: Provide more housing for extremely low and low income households</p> <p>Explanation: There is a critical need for housing for low and moderate income individuals and families. In addition, there is also a critical need for senior citizen housing. There is presently city owned property on the grounds of Kingsboro Psychiatric Center that can be used for the provision of new homes for this segment of our population. The site is currently unused and begging for development. Community Board 9 would much prefer that this property be used to address the desperate need for housing that is truly affordable to our constituents.</p> <p>Responsible Agency: Department of Housing Preservation & Development</p> <p>Supported by: Council Members Darlene Mealy and Mathieu Eugene Council Member Laurie Cumbo</p> <p>Location Site Name: Kingsboro Psychiatric Center Address: 681 Clarkson Avenue</p> | <p>The agency recommends funding this expense budget request in FY 2018, but at this time the availability of funds is uncertain.</p> |

| 22 | 209201822E | <p>Request: Reduce rat populations</p> <p>Explanation: There is increased building and construction work going on in the district which has helped to disturb the rat population. | 24 | 209201824E | <p>Request: Provide, expand, or enhance job search and placement support</p> <p>Explanation: An expansion in the provision of job training programs is necessary to meet the need of our constituency who are in need of skills training leading to job opportunities. Job training programs should be in the areas where there is a demand for workers, for example, in the environmental field, construction industry, technology, culinary, etc. Job search and placement support should be enhanced to recruit well trained persons in jobs that really exist.</p> <p>Responsible Agency: Human Resources Administration</p> | <p>Workforce development is one of HRA's priorities. While the budget has not increased in this area, the Agency has developed a more customized workforce development model. In November 2016, HRA announced contract awards for its three new employment programs -- CareerCompass, YouthPathways, and CareerAdvance. The new workforce development approach includes services for youth and other groups with specialized needs, such as those experiencing homeless or those with Limited English Proficiency.</p> |
| 25 | 209201825E | <p>Request: Provide, expand, or enhance anti-eviction legal services</p> <p>Explanation: Too many tenants are being victimized by predatory landlords who are offering preferential leases, withholding repairs and essential services, harassing low-rent tenants into taking cheap buy outs so they can rent to higher rent paying. Therefore, there is a great need for anti-eviction legal services in Community District 9.</p> <p>Responsible Agency: Human Resources Administration</p> | <p>Homelessness prevention is one of the Agency's priorities. Funds have been allocated in the budget for these services.</p> |
| 26 | 209201826E | <p>Request: Provide more community board staff</p> <p>Explanation: Increase funding to Community Boards to hire additional staff; particularly, a city planner to address the district's zoning, land use and overall planning needs. | 27 | 209201827E | <p>Request: Increase home delivered meals capacity</p> <p>Explanation: Community District 9's senior population is growing but their income is fixed, which creates an increase need for home delivered meals.</p> <p>Responsible Agency: Department for the Aging</p> <p>Supported by: Hon. Laurie Cumbo Hon. Mathieu Eugene and Hon. Darlene Mealy</p> | <p>DFTA continues to advocate for increased funding to support aging services throughout the five boroughs. | 28 | 209201828E | <p>Request: Expand funding for fire prevention and life safety initiatives</p> <p>Explanation: The district has seen multiple fires which has not only destroyed property but lives over the past several years. Fire Safety and fire prevention education and outreach is critically important in making people aware how they can prevent fires and protect their families and property. Increase funding for the Get Alarmed NYC program to expand the program.</p> <p>Responsible Agency: Fire Department</p> <p>Supported by: Hon. Mathieu Eugene; Hon. Darlene Mealy Hon. | 29 | 209201829E | <p>Request: Other runaway and homeless youth requests</p> <p>Explanation: Hundreds of 16 and 17 year olds in our community face homelessness each year with no available respite shelter. Adult homeless shelters cannot admit 16 and 17 year olds without a parent or guardian. Homelessness forces young people into exploitive and dangerous situations each and every day. Adolescent shelter spaces in Manhattan turned away 5000 young people in 2014. There are absolutely NO adolescent shelter spaces in Brooklyn. The need is critical for shelter and services for homeless youth.</p> <p>Responsible Agency: Department of Youth & Community Development</p> | <p>DYCD has increased funding in this service area.</p> |

| 30 | 209201830E | <p>Request: Other homelessness prevention program request</p> <p>Explanation: Aside from providing rental vouchers, there has to be additional housing services in the form of apartment search resources. HRA/DSS, along with HPD, should have a more coordinated effort to provide up-to-date available apartment listings. The 90-day timeframe allotted individuals to find apartments oftentimes requires that the vouchers be extended due to unavailable housing options.</p> <p>Responsible Agency: Human Resources Administration</p> | Homelessness prevention is one of the Agency's priorities.
