AGENCY 071 Department of Homeless Services
Request: Restore Adequate Funding for the Provision of Services at the Kingsboro Men's Shelter.

Explanation: The services being provided at this shelter are not in keeping with the type of quality programming that was agreed to by DHS and the community when this shelter was first established. This included the provision of transportation to and from the shelter for the homeless placed there and for each shelter resident to be enrolled and participate in training and treatment programs. At any given time during the day, there are homeless men on the grounds of the facility or wandering in neighboring Community District 17 and 9. These problems are increasingly heightened by the placement of sex offenders at this shelter. This is not acceptable.
