Vote on the letter to the NYC Department of City Planning for a Planning Study of Community District 9

Chairman Ben Edwards called the meeting of the ULURP Committee to order with twelve members of the committee present, a quorum was in place. Motion was made by Ben Edwards to recommend that the draft letter to Department of City Planning, requesting a study of portions of Community District 9 that was prepared by the ULURP Committee at the March 16, 2015 meeting of the Committee, be approved for submission to the Department of City Planning. The motion was seconded by Avi Lesches.

Vote on the motion: 10 yes; 1 no; 1 abstention. The motion was carried.

The Committee's recommendation to the full board at the Tuesday, May 26, 2015 meeting of the board is for approval of the letter to the Department of City Planning requesting the study.

NB – it must be noted here that this meeting was conducted under the most hostile, abusive and repulsive conditions imposed by Alicia Boyd and her followers. Ms. Boyd and her followers became violent, snatching the paper on which the District Manager was recording the vote, crumpled it up and disposed of it; violently accosted the District Manager, who was hit in the shoulder by one of Alicia Boyd's followers. The District Manager and members of the committee were pelted with whatever came to hand by the unruly crowd, poster board, wadded up paper, pens, etc. One member of the board, Evelyn Williams, received a cut lip from one of the members of the crowd. Ms. Williams plans to press charges. The District Manager will also look into filing an order of protection against Alicia Boyd.

Alicia Boyd was arrested and charged with: obstructing government administration; harassment; disorderly conduct and resisting arrest.

Respectfully submitted

Ben Edwards

Chairman
